Don,

DOT said they can meet soon and I'll get back to you with some dates. Also, the Bureau of Sanitation told me the Adopt-A-Basket program is on hold for now until they revise the program. Apparently, very little of the adopted trash cans were being maintained across the city and they felt it a waste of time and resources to continue. They might bring it back, but not at this time. The only thing I could ask is if (maybe) they will allow you to purchase their green cans and that'll end up being cheaper than the ones you have now? Let me know what you think.

Thanks,

John Darnell
